

# Bottle Cap Magnets

---

Recycle and reuse old bottle caps to make fun fridge magnets out of them.

## **Supplies**

- Old bottle caps
- Small charms
- Craft glue
- Magnetic strips
- Clear varnish

## **Directions**

- Clean the inside of a bottle cap with a dry cloth.
- Use the glue to fill it up with charms.
- Apply a layer of clear varnish to give it a clean finish.
- Glue a piece of magnet to the back of the bottle cap and your fridge magnet is ready!
