

Beautiful Fruits

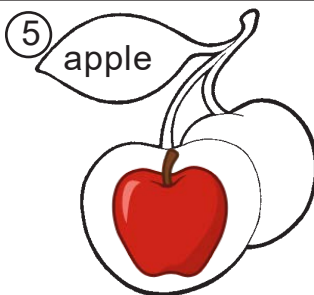

Look at the noun on each leaf. Write the adjective that best describes the noun on the line. Adjectives are in the box.

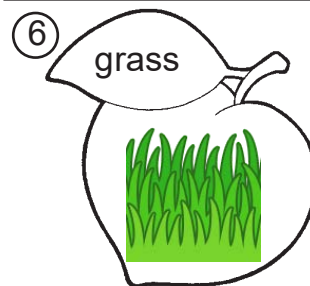

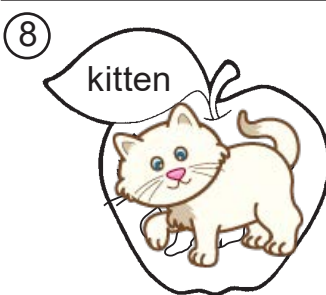

Adjectives	
messy	healthy
cold	big
tall	red
soft	ugly

CJ Says:

Have fun with this activity around your dinner table. Tell everyone that you are going to make up a silly sentence but that you are going to leave out the adjective (the word that describes the noun). Instruct everyone to take turns adding an adjective to make a silly sentence. For example: The _____ witch fell off her broom.

The UGLY witch fell off her broom
