

ADD TWO DIGIT NUMBERS

Football Fun

Add the problems below. Color around all the ones-place boxes in red. Color all the tens-place boxes in blue.

Example:

1	5
+	10
2	5

(Illustration of a blue crayon and a red crayon pointing to the tens and ones boxes respectively.)

①

1	0
+	10

②

3	5
+	11

③

2	5
+	52

④

6	3
+	34

⑤

5	1
+	15

⑥

8	2
+	17

⑦

4	4
+	13

⑧

1	0
+	95

CJ Says:

Place 24 craft sticks, toothpicks, or straws on a table. Show 20 by using rubberbands to bundle two sets of 10. Add 35 more sticks (in groups of tens and ones). Have your child add the ones and tens to figure out the total number of sticks. Repeat for other problems.
