

Whose Shadow?

The creatures of Knowhere love to play hide and seek.
Draw a line to match each creature to its shadow shape!

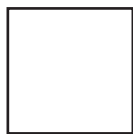

Match the Mixed-Up Pictures

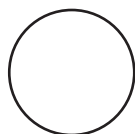

Match the pictures on the left with its related item on the right by drawing a line from one to the other.

Two-Dimensional Shapes

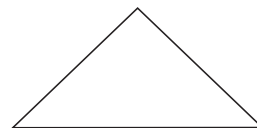

square

circle

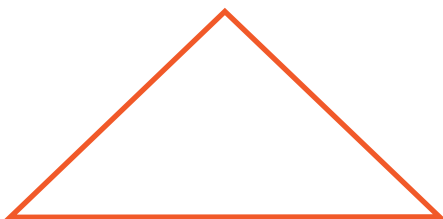

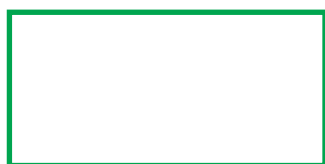

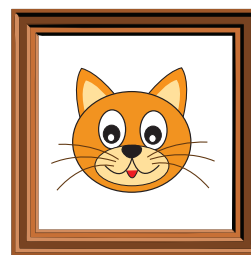

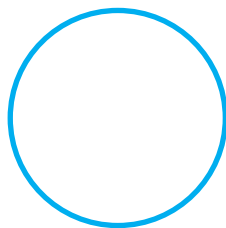

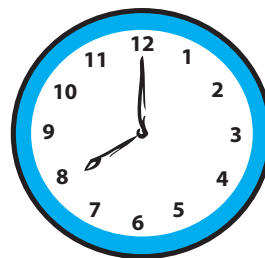

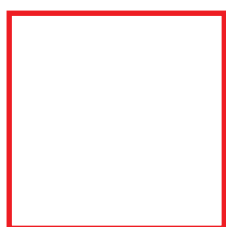

rectangle

triangle

Match up items that are the same shape.

Matching Numbers to Quantity

Directions: Draw a line from the number on the left to its corresponding quantity of fruits or vegetables on the right.
